

# ALLEGRO

## COOLING PRODUCTS

Our cooling products are designed to protect and provide comfort to workers who must function in environments with excessive heat. We cater to the demands of construction workers, mine site workers, welders and factory workers. Our unique non toxic polymer fabric is activated by water and will keep you cool from 24 to 72 hours.

### Allegro Vortex Cooling Vest with Personal Air Cooler

- Designed for workers in confined spaces, foundries, steel mills, asbestos abatement and paint baking operations
- No moving parts
- The PVC vest delivers continuous cooled or heated air through its perforated inner lining
- Full range of motion
- Can be worn under protective clothing
- Used filtered compressed air (55-85psig)
- Exceptionally reliable
- Control valve for temp adjustment
- Will cool compressed air by 14 C
- Vest with Personal Air Cooler **8300**
- Vortex Cooling Vest only **8300-01**
- Vortex Cooling Vest only **XL 8300-OIL**
