

# SQWINCHER

## THE DRINK OF INDUSTRY

It's not a luxury. It's a necessity. Sqwincher is a scientifically formulated replacement drink made especially for the industrial workplace. It is a safe, effective and proven way of hydrating workers. It has been used in the US since 1976 and in Australia & New Zealand since 1999 with great results.

Did you know it costs less to prevent a heat stress related accident or illness than it does to recover from one? Keeping workers hydrated & cool helps productivity and reduces accident rates.
