

SQWINCHER

COOLER RANGE

These industrial strength coolers keep fluid cold for up to 12 hours. They are perfect for all workers needing to hydrate throughout the day. Sqwincher coolers are built to last, with built in UV fade inhibitors. Available in high visibility yellow and orange the coolers make safe hydration stations on any work site.

Simply add one 2 litre bottle of Sqwincher concentrate, water & ice to a 20 litre cooler or just one packet of powder concentrate to an 11 litre cooler and you have a mobile hydration station that keeps fluid cold for up to 12 hours.
